

# TooGoodToThrow

## Smart Bulk Waste Disposal for the Sustainable Citizen

# The other day ...

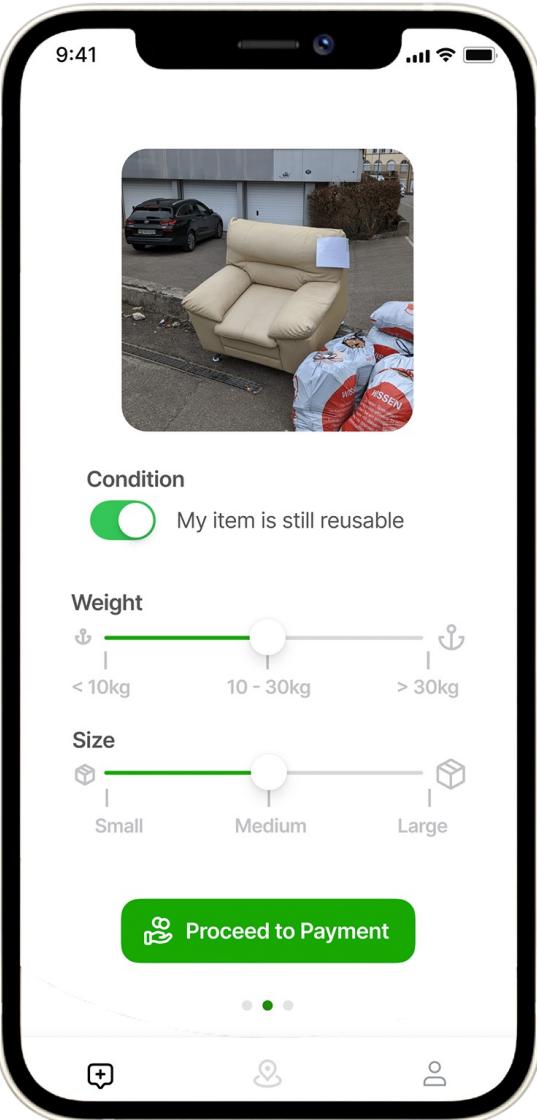

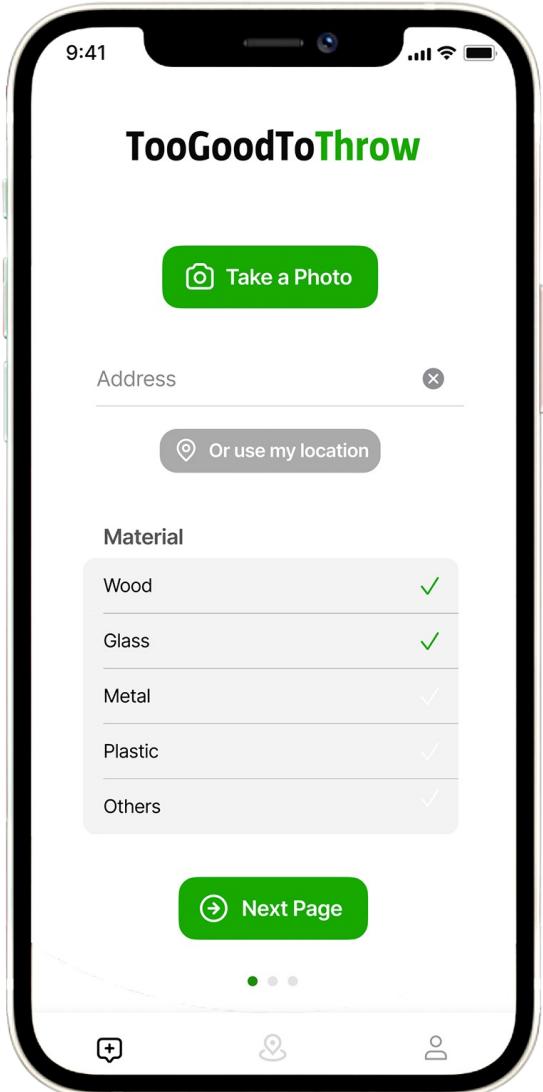

**It's a mess,  
literally!**

| The current  
process is  
complicated  
and wasteful

- 01** Citizens
- 02** City St. Gallen
- 03** Environment

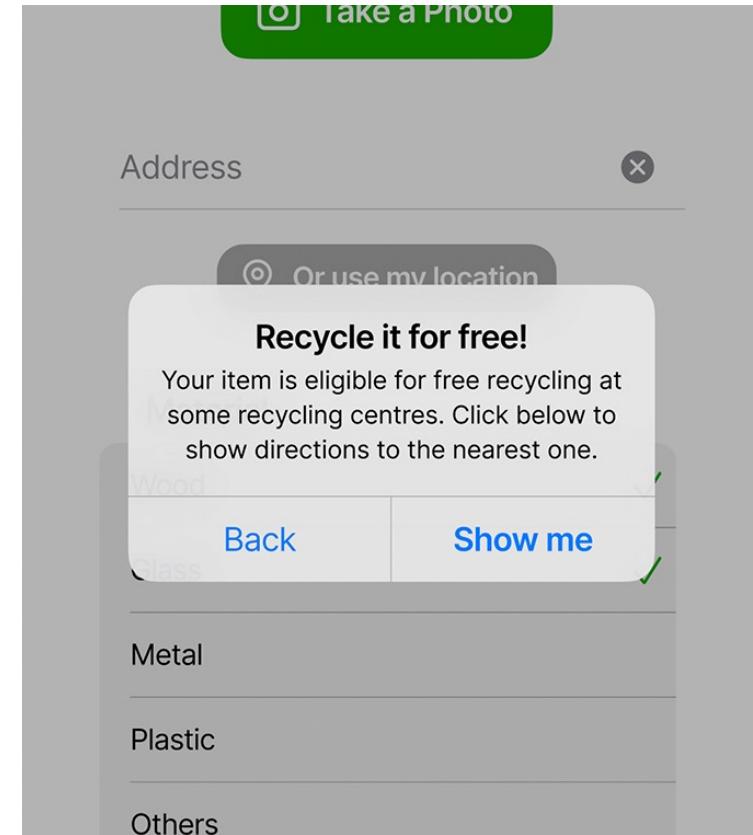

# Now what?

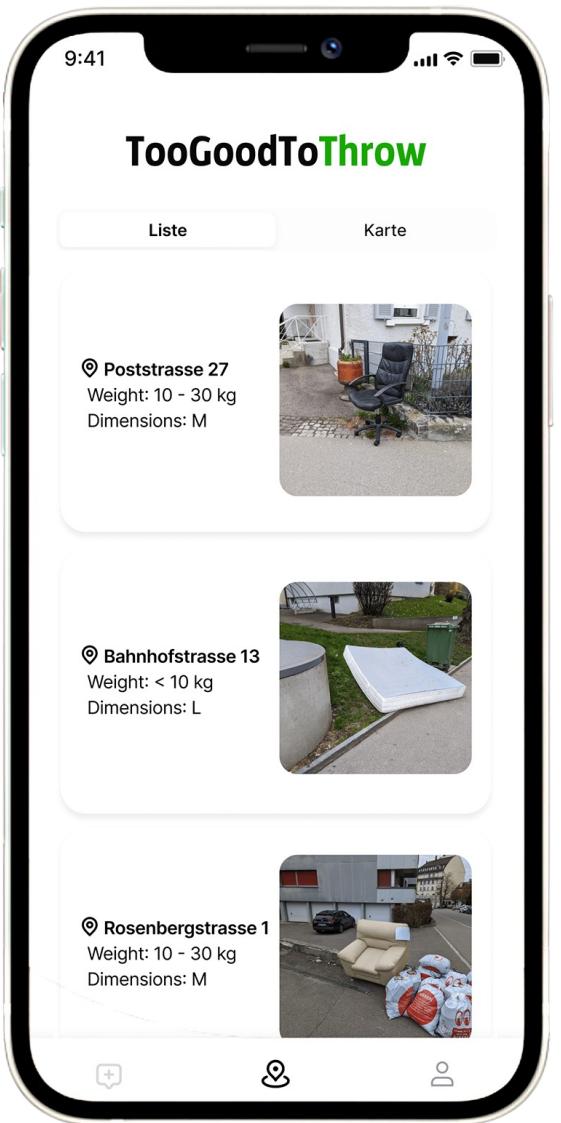

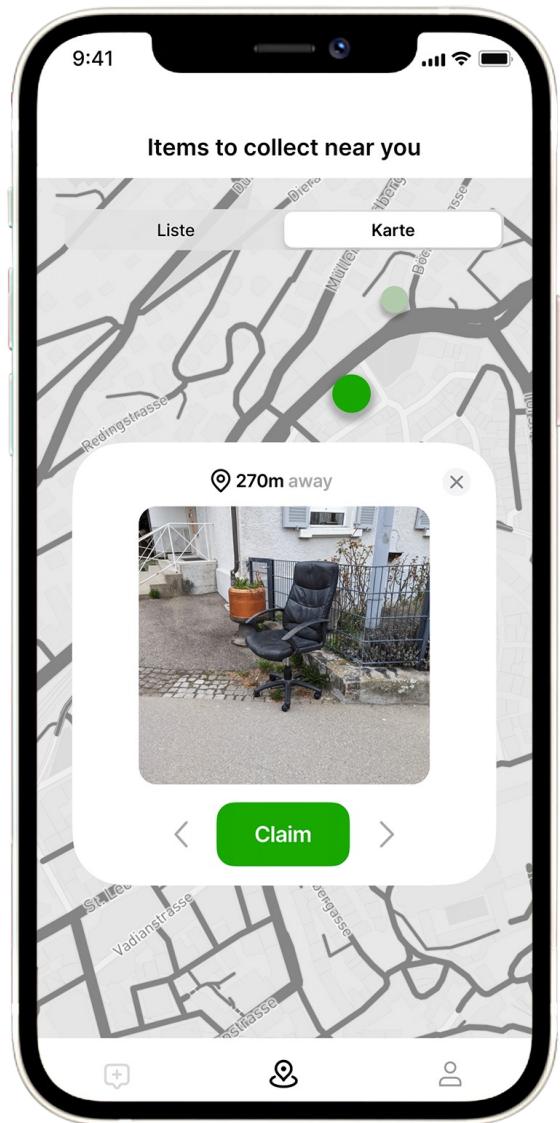

# Let us do the work!

machine  
learning

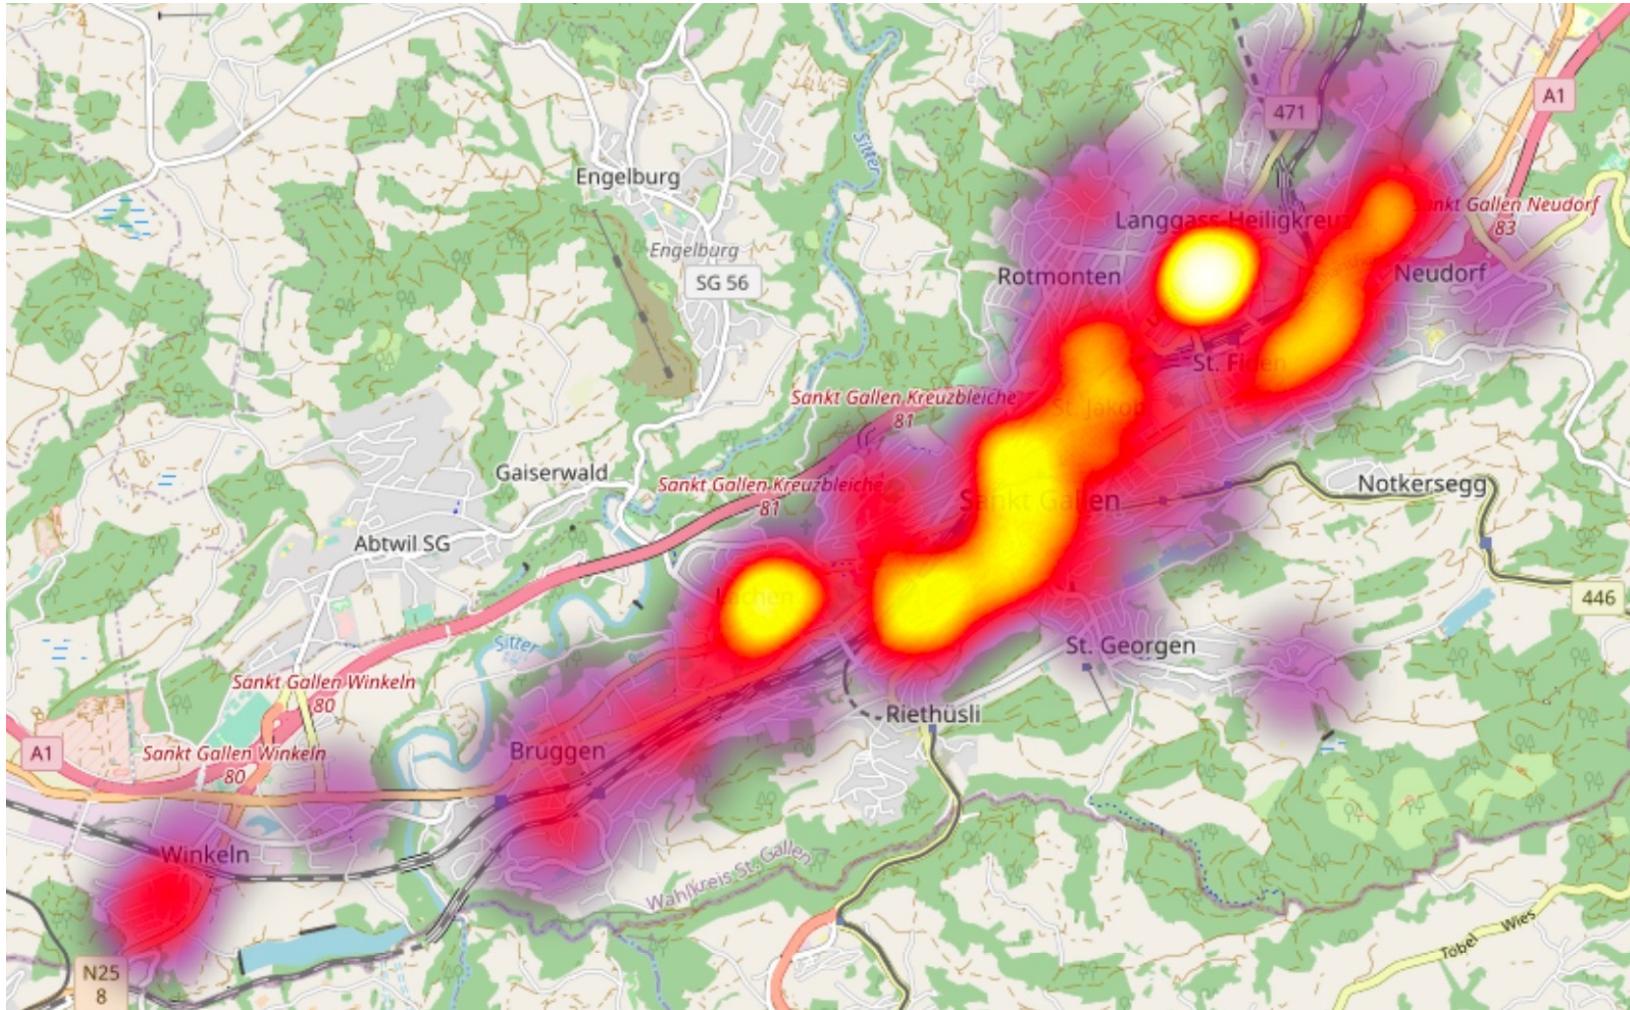

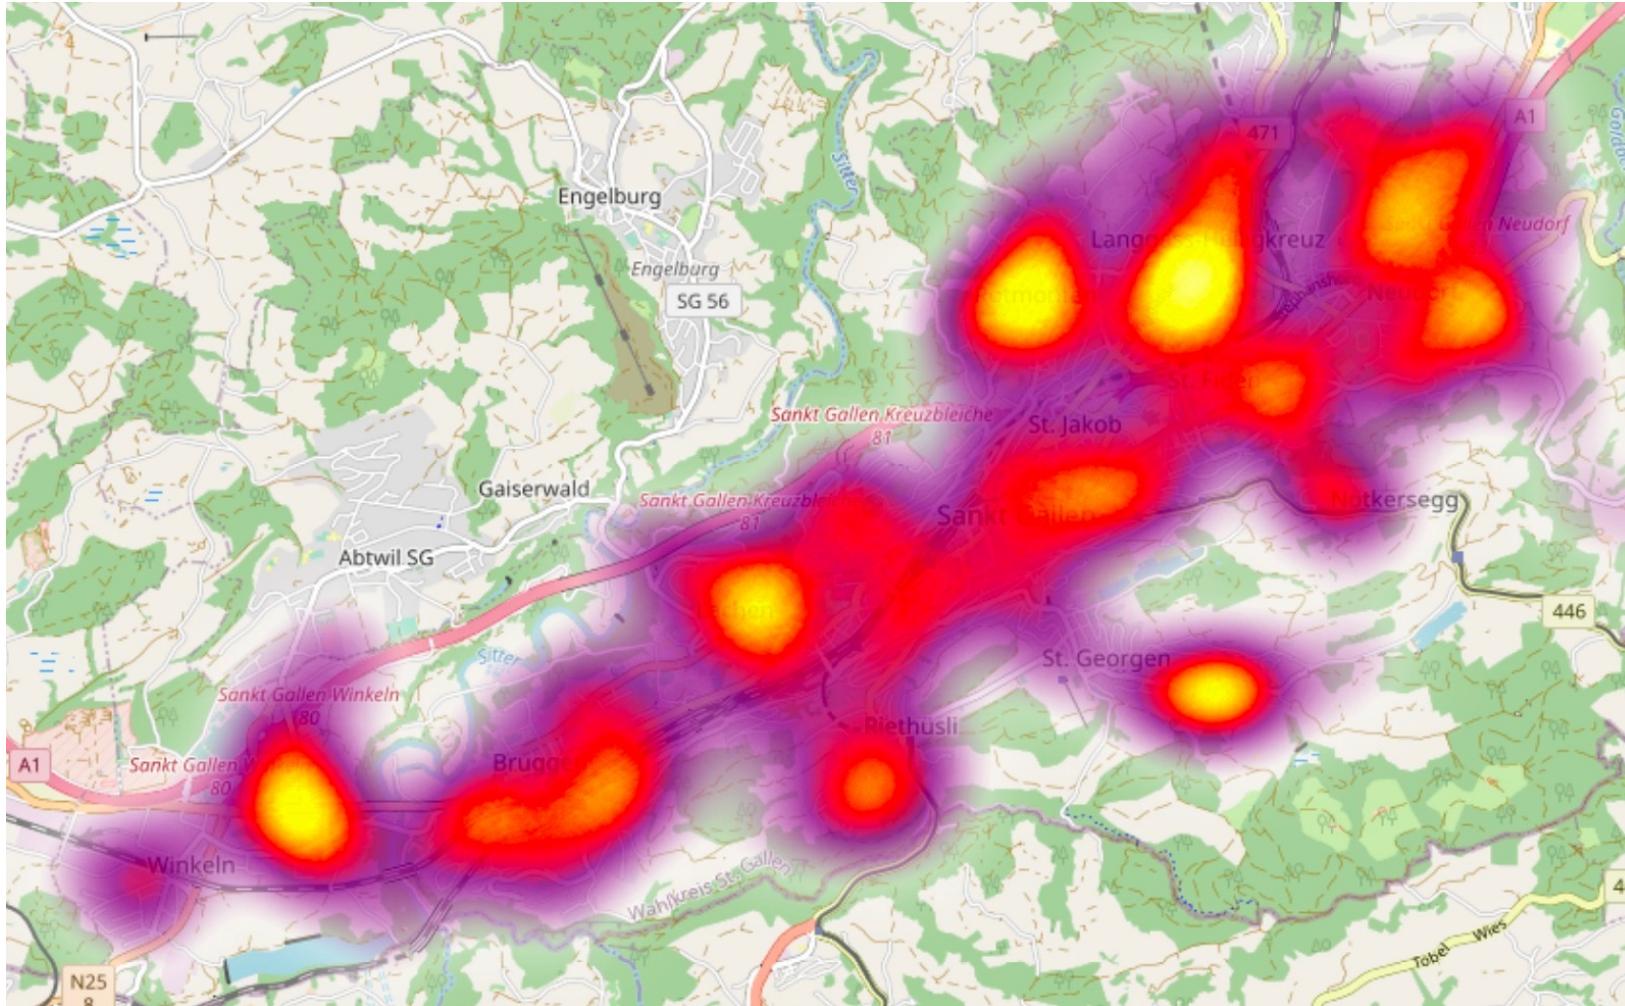

# **What we did**

**One more thing...**

# Don't get stuck in the past ...

# Get ready for the future!

**Try out our  
Proof-of-Concept**

Team «Shrimp on the Moon»
